

6. Support digital inclusion with public internet access, digital literacy training, and online library services.

BCPL provides various outlets for digital literacy.

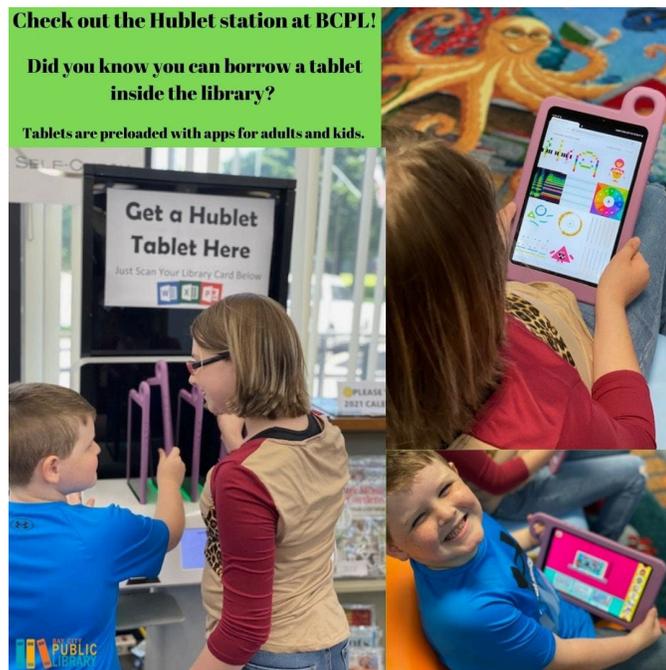

BCPL hosts tech help classes bi-monthly, including the ability to sign up for individual sessions.

During COVID, the library acquired a Hublet Tablet Station that remains available for use.

BCPL circulates hotspots The hotspots check out for two weeks with no renewals. The library subscribes to Niche Academy for making technology tutorials available on the website.

Library card holders can enjoy free access to Udemy courses through TxShare/Gale Presents.

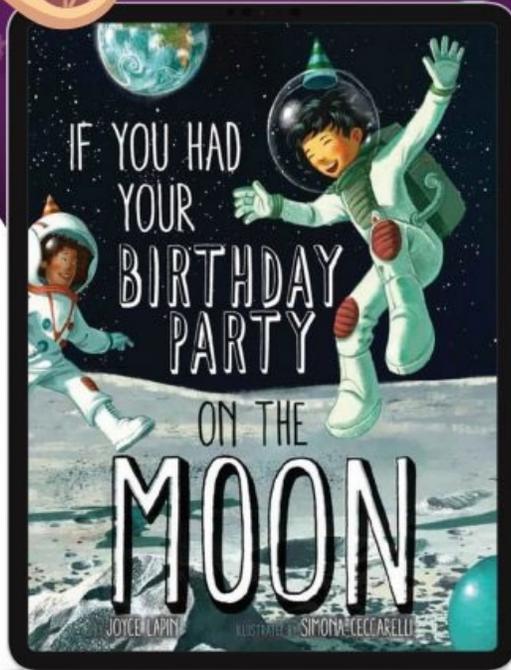

The library offers an online collection of materials through Overdrive and Flipster.
